GROUP POLICIES AND GUIDELINES -

All rates are based on cash, check or credit card. All group arrangements and financing to be handled by one person (Group Leader). We provide one complimentary lodging and lift package for each 40 paid Day Trip Packages. Complimentary ski pass may not be available for legal holiday day periods. Rates are subject to change without notice.

Our Trip Captain will make every effort to cater to your on-hill and après needs, and most important – help everyone have a great time. Our knowledge of roads, weather, equipment, transportation, ski areas, lodging facilities and ski instruction is why so many groups go to the slopes with us.

If this is the first ski/snowboard trip, we recommend that you take a lesson from a professional instructor at the resort. They can teach you much quicker and more safely than learning on your own or from a friend. You should progress to the more advanced slopes only when YOU feel ready.

All minors (under 18) must have our **Student's Responsibility Agreement & Parental Permission Form** signed and completed by a guardian or parent before boarding the bus. These forms are available at Ski World's trip offices or at our website, www.skiworldinc.com. Failure to provide this written information form at bus boarding might result in forfeiture of all trip money. No transfers or refunds will be given.
